

CLASSIC CAR MEET and ROD & ROLL PARTY 2026

Dear Ladies and Gentlemen, dear friends, journalists, and media partners.

After a two-year hiatus due to the pandemic and two more years of preparation, the renowned and popular ROD & ROLL PARTY, along with its accompanying classic car meet, will once again take place on Saturday, June 27th and Sunday, June 28th, 2026, in the pedestrian zone of Velbert-Nevigis (42553). As before, the event will benefit a good cause, with all proceeds being donated.

For more than three decades, the ROD & ROLL PARTY has been a fixture, attracting thousands of classic and vintage car enthusiasts of all generations, including international fans, to the castle park in Velbert-Nevigis. Several hundred of them arrive with their own unique vehicles – be they classic cars, pickups, race cars, lowriders, motorcycles, or even trucks.

The combination of horsepower culture, live music, and a vendor and food court makes the ROD & ROLL PARTY unique in the West and one of the world's largest events of its kind. Family-friendliness is a top priority, and a vibrant festival atmosphere is celebrated. Bands provide a live feel, and there's a record market and a raffle. A flea market takes place on Sunday. And best of all: admission has always been and will remain free!

The event is non-profit, and all profits are donated. This time, the money will go to an orphan. We want to use the proceeds to pave the way for the boy to have a secure future.

We kindly request that you announce the ROD & ROLL PARTY 2026 in your media outlets – and cordially invite you to attend the event yourself. For accreditation requests or any other questions, please contact E-Mail: dahl.a@gmx.de

ROD & ROLL PARTY with classic car and hot rod meet

June 27-28, 2026 in the pedestrian zone of 42553 Velbert-Nevigis
